

Our annual hunts are a way to give back to our troops with a day of celebration and comraderie

We are so blessed to be able to provide these admirable people with the opportunity to hunt with their fellow soldiers.

To our **Soldiers:**

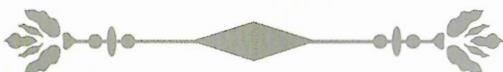

*We are forever indebted
for your service to us
and our country.*

*There are no words to
express the gratitude
beating within our
hearts. It is beyond
measure.*

*We hold no gifts that
could ever equal what
you have given us.*

*From the deepest part of
our hearts, there is one
thing we can do.*

***We can celebrate
you!***

*Dedicated to helping
our active and retired
service-wounded
armed forces*

If you have served, we thank you
for your service. If not, this is a
way to thank those that have
given so much.
